MATH STUDENTS AND PHDS SEMINAR

Thursday 27.02.2025, 12:15 - 13:00
Seminarraum 05.001

GIACOMO COLOMBO

ETH Zürich

Bernoulli encounters obstacles (and their singular set)

ABSTRACT

We will do a brief overview on the main questions that people try to answer in free boundary problems, with a focus on results on the singular set in the obstacle problem.
